**Subject:** [EXT]Mayor this afternoon?

Hi.

Council discussed this, but wanted to highlight these facts:

- While the Ambassador Bridge blockade has ended, Huron Church Road from the E.C. Row Expressway north to Wyandotte Street remains a bridge-traffic-only route. Motorists that are not bound for the United States are asked to avoid Huron Church Road at this time.
- On a time-limited basis, and until the security situation improves, Windsor Police will block east-west access for vehicles in this area to ensure that the safe flow of bridge traffic continues and all contingency plans needed are in place.
- To support this ongoing security operation and to allow for continued nimble and agile response as municipal resources are deployed in support of ongoing Windsor Police operations, Windsor Mayor Drew Dilkens has declared a State of Emergency related to this matter.

Let me know if you have any interest in doing an interview with Mayor after Council concludes?

Many thanks, in advance.
